St. Anne's Episcopal Church - Appomattox, Virginia

Annual Bazaar - Friday, Dec. 7

The annual bazaar of the St. Anne's Episcopal Church women will be held for one day only, Friday, December 7, beginning at 10 a.m. and ending with an auction sale at 7:30 p.m. A delicious lasagne supper will be served beginning at 6 p.m. and the public is invited. The bazaar will feature Christmas decorations, ornaments for your tree, hand-made pillows, aprons, bags and many other hand-made and original items. A children's corner is being planned with many gifts suitable for the young people to buy for their family and friends. "Ye Olde Pickle and Bake Shoppe" will be full of delicious home-made breads, desserts and assorted jellies and pickles. A white elephant table will contain many good buys for the bargain hunter. After browsing around in Rose Hall and viewing the lovely gifts for sale, plan to stay for the supper and auction sale which will be conducted by Mayor Ronnie Spiggle, of P & S Auctions. Some gorgeous items have been donated by our members and friends for this auction, so plan to attend. All proceeds will go toward the work of the Episcopal Church Women.

GETTING READY FOR BAZAAR - Five of the "Stitch and Chatter" ladies, members of Appomattox Court House Presbyterian Church, are shown in photo above busily making items for their annual Christmas Bazaar.

The Christmas Bazaar is planned for Friday, November 30th, from 11 a.m. until 8 p.m. and on Saturday, December 1st, from 9 a.m. until 1 p.m. The ladies will be offering for sale handmade gift items of many kinds, Christmas decorations, and a large variety of their homemade baked goods including many kinds of breads, pies, cakes, candy, canned goods, brunswick stew and many other 'goodies' made by the "Stitch and Chatter" ladies. In addition, a White Elephant Sale is planned as a part of their bazaar.

"Stitch and Chatter" group is composed of women of the church who share like interests. They meet once a week and the first thing on the agenda is an hour of concentrated Bible study. Then they share a covered dish luncheon and then comes the fellowship time when the ladies begin their "stitching and chattering."

They invite the public to come by Friday or Saturday morning and look at what they have to offer for sale . . . you will surely like what you see.

DID YOU KNOW?

That market research surveys have shown that customers choosing a restaurant often rank "cleanliness" as more important than either "atmosphere" or the quality of food and service?

That disposable foam cups are one sign of a clean restaurant? As the Foam Cup and Container Division of the Society of the Plastics Industry (a member of Keep America Beautiful), points out, foam cups are only used once. Customers get a clean cup every time.

That foam containers help maintain food and drink at their proper temperature better than other disposable products?

That customers can help keep restaurants and other places clean by being careful not to litter? Littering is a people problem, and only people can solve it.

SAFETY SENSE

Is your home the picture of safety? It may not be if you have old films in your attic. The 35mm film used in movie theaters till the early 1950s deteriorates with age and, in time can become a fine brown powder that can burst into flame at temperatures as low as 106° — a temperature found in many attics.

If you have such nitrate films, free material on preserving your home from fire—is available by writing to Joseph G. Empuscha, Assistant Motion Picture Archivist, The American Film Institute, John F. Kennedy Center for the Performing Arts, Washington, D.C. 20566.
